

STAFF THOUGHT EXCHANGE 2: LONG TERM SUSTAINABILITY

West Clermont Local School District

What are some important things for us to consider as we look to change the elementary attendance boundaries?

Prepare for future growth. We should only have to redistrict once. *What are some important things for us to consider as we look to change the elementary attendance boundaries?*

4.3 ★★★★★ (32)

The projected enrollment is something that obviously must be considered. We don't want to have to do this again in 10 years. *What are some important things for us to consider as we look to change the elementary attendance boundaries?*

4.3 ★★★★★ (32)

Consider long term boundary changes rather than just one year changes. It's important so kids and teachers don't get moved around so much. *What are some important things for us to consider as we look to change the elementary attendance boundaries?*

4.3 ★★★★★ (30)

That projections for current and future growth are based on data and not emotion as the foundation for determining attendance boundaries. The decision is research driven. *What are some important things for us to consider as we look to change the elementary attendance boundaries?*

4.1 ★★★★★ (30)

With enrollment increasing, we must look to hold off overcrowding classrooms as long as possible. *What are some important things for us to consider as we look to change the elementary attendance boundaries?*

4.0 ★★★★★ (32)

The primary focus needs to be making certain we don't need to change them again in the near future. Parents won't like changing schools and routines to meet the needs of our new boundaries. They will lose their minds if they must do it twice in 3 to 5 *What are some important things for us to consider as we look to change the elementary attendance boundaries?*

3.9 ★★★★★ (32)

new and upcoming neighborhood growth to get semi-even student numbers with all buildings *What are some important things for us to consider as we look to change the elementary attendance boundaries?*

3.7 ★★★★★ (28)

Sustainable long-term impact change of this magnitude is difficult *What are some important things for us to consider as we look to change the elementary attendance boundaries?*

3.7 ★★★★★ (26)

Not only how large the new district will cover but the amount of children in the area and the potential for growth. The size of the building should al *What are some important things for us to consider as we look to change the elementary attendance boundaries?*

3.5 ★★★★★ (27)
