### Use of District Facilities Addendum

The following information contains a new structure for charging groups for the use of our facilities. These fees are significantly less than what they have been in the past and differentiate between school groups, non-profit organizations and for-profit organizations.

Rate information will be included in the Administrative Guideline 7510 - Use of District Facilities and will need to be approved by the Board before they can be enacted.

### FEE FOR USE OF DISTRICT BUILDINGS

All organizations or persons granted the use of schools shall assume the following charges as indicated, payable in advance and the cost of such additional staff services as may be required.

### FEE CATEGORIES (GROUPS)

For purposes of determining rates for usage of District Facilities, groups applying to use District Facilities will be classified into one of the following three categories:

#### Group 1- Government Groups and School Support Organizations

- Local police, fire and rescue departments, when conducting staff training
- All branches of the military
- Township or officials' meeting of general importance when no fee is charged
- Clermont county Board of Elections using buildings as polling places
- District employee organizations
- Local universities
- Organizations sanctioned by the Board whose exclusive purpose is to support the programs of the District (e.g., PTO, PTA, PTSO, Booster Clubs, OHSSA, OMEA, etc.)

#### Group 2- Community Groups serving school-age children of the District and Non-Profit Community Groups

- Groups that serve or support school-age children from the District (e.g., scouts, church youth groups, youth athletic organizations, groups/individuals providing services to students (i.e., private music lessons, tutoring, athletic training, etc.))
- Organizations whose primary purpose is to serve the community, when a worthwhile educational, civic, or charitable purpose is served (e.g., churches, service clubs, theater groups, "select" athletic groups, AAU, CUP Soccer, Elite Soccer, Buckeye Soccer, etc.)

#### Group 3- Commercial Groups

- Organizations headquartered within the District and operated for private gain when a worthwhile educational, civic or charitable purpose will be served (e.g., school dance, karate school, camps/events not sponsored by the District/Booster/PTO/PTA/PTSO organizations, etc.)

“HS” refers to rental space that is specific to the High School AND Middle School facilities.

Weight Room facilities are not authorized for facility rentals or use for personal training of individual groups.

Baseball and Softball Field rental does not include any field preparation or equipment. The renting group is responsible for all clean up. The athletic booster organizations at each high school have first right to sell concessions during any rental of athletic facilities.

Parent organizations (PTO, PTA, PTSO, Boosters) providing direct services to students after hours or during non-school days may have their fee waived once a year as a donation from the district to support that school.
