

# Free and Reduced Lunch Program

**If you are interested in the free and reduced lunch program, please request an application at the time of enrollment. To complete the application process, a student must give the completed application to their school principal. The school principal will then forward that application to the Food Service Department.**

**The entire process can take several days to complete, so plan accordingly. If your student qualifies for the program, you will be notified by the school district. Students are qualified for the duration of the school year. Applications need to be re-submitted each school year.**

**If you are enrolling from a different school district, the qualification for free and reduced lunch WILL NOT transfer. A new application needs to be submitted. Likewise, if you leave the West Clermont Local School District, you will need to apply for the free and reduced lunch program at your new school.**

**If you have any questions about the program, please call the Food Service Department at 943-5038.**
