

Be a Library Star!

Willowville Elementary and the Union Twp Branch Library

What is the Library Star program?

It's a fun and easy reading incentive program.

Why should my child participate?

The more exposure a child has to books and literature, the more likely they are to become confident and competent readers.

Who can participate?

Any child in Kindergarten through Grade 5.

When can I sign my child up?

Anytime starting October 1st through the end of April.

How do I sign my child up?

Use the form on the back of this sheet or you are able to get a form at the Union Twp library. The form will be turned in and kept at the Union Twp library. The library will keep track of all information.

Where does the program take place?

At the Union Township library on Glen Este-Withamsville Road.

- The forms are kept at the library during the months the program takes place.
- Each time your child comes to the library to read a book, check out a book, OR do homework they can stop by the Information Desk and we will record their visit on their Library Star form.
- Every student that visits the library once a month between October 1st and April will be given a certificate.
- Prizes will be awarded to students who participate. There will be a monthly prize awarded. Also each visit to the library will earn your child a ticket for the grand prize drawing at the end of the program. So for example your child visited the library 5 times in October, they will get five tickets for the grand prize.
- Getting a library card for your child is easy, just fill out an application and show us your picture ID and something with your current address. That's all there is to it!
