

# STAFF THOUGHT EXCHANGE 4: STUDENT TRANSFERS

## West Clermont Local School District

What are some important things for us to consider as we look to change the elementary attendance boundaries?

**Intradistrict Enrollment Should Stop! If we stopped Intradistrict transfers some buildings wouldn't be soooo overcrowded and overwhelmed.** The current system has some buildings with empty classrooms or very little class sizes and other buildings having to convert computer lab into a class *What are some important things for us to consider as we look to change the elementary attendance boundaries?*

3.8 ★★★★★ (29)

**As we change boundaries it would be important to look at inter and intra district students and decide what will happen with them** My own students are inter districted and they have established relationships and love their current school *What are some important things for us to consider as we look to change the elementary attendance boundaries?*

3.8 ★★★★★ (27)

**It will be important to have a plan for current building-to-building transfer students & whether they can stay at their current building.** This will be a question at the front of many parent's minds as soon as they hear about the new attendance zones. *What are some important things for us to consider as we look to change the elementary attendance boundaries?*

3.5 ★★★★★ (30)

**Are you still going to allow open enrollment/intra-district transfers?** Even if it's not open to the whole district, would you allow it for your employees and their children? This is a game changer for babysitting, etc. *What are some important things for us to consider as we look to change the elementary attendance boundaries?*

3.3 ★★★★★ (9)

**What effect will the redistricting have on inter district transfers etc. ?** This effects the attendance at quite a few of the elementary schools. *What are some important things for us to consider as we look to change the elementary attendance boundaries?*

3.2 ★★★★★ (13)

**Intra district transfers for employees children within the district.** Are we as employees still going to be able to intra district transfer our children? *What are some important things for us to consider as we look to change the elementary attendance boundaries?*

3.1 ★★★★★ (31)

**I think it makes no sense that I live in the neighborhood directly across from the high school but I am considered Batavia School District.** I would like my kids to go to the district in which I teach. *What are some important things for us to consider as we look to change the elementary attendance boundaries?*

2.7 ★★★★★ (32)
