#WCcares Newsletter August 20th, 2019 Edition

A Look Inside the Heart of West Clermont

August 20, 2019

Welcome to the first issue of the #WCcares Newsletter. Through this monthly communication, our goal is to bring you stories and news about what makes our district unique—our awesome students and amazing staff! We also plan to celebrate our district partners by sharing with you their articles, websites, and other resources. We hope you enjoy!

If there are things you'd like to learn more about or people/organizations that we should spotlight, [just let us know!](#)

Coming this fall at Wolves Wellness Center: Dentistry!

In partnership with HealthSource of Ohio, we are pleased to begin offering dental services for students, staff, and community members at the Wolves Wellness Center at West Clermont Middle School. In addition, HealthSource will be managing a new "mobile dentist" program that will allow them to meet the needs of our elementary students right in their home school!

In the picture above, Summerside's new principal Lisa Courtney tries out the new mobile dentist chair.
